

HumanCare Russia

Connie Meyer and the continued support in Moscow

The humanitarian work was initiated by Connie Meyer. (In Moscow she was called Constance)
It is a deep grief for all of us that Connie Meyer is dead on May 9th 2019. We are deeply concerned, and our thoughts and deepest compassion go to the closest family and friends in Denmark and to fr. Pavel and all other friends in Moscow, USA and everywhere else.

Russia HumanCare Russia continues to send encouragement and gifts to the congregation

In September 2019 we had Memorial meetings and ceremony for Connie Meyer.
